BURSARY / SCHOLARSHIP APPLICATION FORM 2010

CYMC Bursary and Scholarship funding has been made available through the generosity of donors, community groups, service organizations, foundation and corporate contributors.

Due to the number of applications for financial assistance, please recognize that we are unable to fulfill all requests. We encourage students to pursue all other possible sources of assistance including your local service clubs, community arts councils and educational institutions.

CYMC awards financial assistance based on financial need, musical merit and recommendation. The Bursary/Scholarship committee will review applications for an award throughout the month of May 2010. Students will receive notification of an award before June 5th, 2010. Remaining tuition balance must be paid in full by June 15th, 2010. **Please note that bursaries and scholarships do NOT cover camp fees, meals or travel. You will need to find other sources for these expenses.**

All information included in this application will be kept confidential. All applications for financial assistance should have attached, the following items:

1. A letter of recommendation from your current music or theatre instructor, teacher or coach.
2. An outline of your musical background and performing experience.
3. The reasons why you would like to attend CYMC and feel you deserve financial assistance
4. A list of other funding resources you have applied to.
